

Join us!
and become "locally grown"

Do you have interest or concern
over the food we serve in our schools and
how it relates to the health and well-being
of our children?

help us become a

Locally Grown
school district

What kind of food do you want in your school district?

Join us and learn how we can bring local, organic, farm fresh
produce to LCUSD by working with the national Farm to
School program.

Show support in Farm to School at LCUSD by submitting this
form to one of our local friends.

I want to be the change - How can I help?

Count me in as a "yes" vote and keep me posted.

I have more questions, please contact me.
